Git • GitHub • Vs Studio • Firebase

LANGUAGE
Hindi • English • Marathi

HOBBIES
Sports • Travelling • Learn new
Technologies.

ABOUT

As a Bachelor of Arts graduate and a fresher in the field, I am an ambitious and creative front-end developer eager to bring my unique perspective and fresh ideas to the digital world. With a strong foundation in design principles and a passion for web development, I am determined to craft visually stunning and user-friendly interfaces that leave a lasting impact on users.

PROJECTS

FOOD APPLICATION | React
Checkout - **Food App**

- Delve into a culinary adventure with our React JS Food App
- Discover a diverse range of delectable dishes, find recipes, and explore curated menus tailored to your preferences
